Summary

Analytical and detail-oriented aspiring Data Analyst with a strong foundation in Python, SQL, and data visualization. Skilled in extracting insights from complex datasets, performing data cleaning, and creating interactive dashboards to support data-driven decision-making. Proficient in leveraging analytical tools like Power BI and Excel to identify trends and optimize business processes.

Work Experience

- | | |
|--|-----------------------|
| Dekactus , Social Media Intern | Kolhapur, Maharashtra |
| <ul style="list-style-type: none">Planned and structured social media content across multiple platforms and maintained content calendars.Contributed to content ideation while coordinating with creative teams to ensure consistent brand communication. | June 2025 – Nov 2025 |

Projects

- | | |
|--|-----------|
| Travel Data Analysis (Plan My Trip) | June 2026 |
| Developed a travel data analysis application to analyze destination, hotel, and budget datasets for actionable insights. Utilized Python, SQL, Pandas, NumPy, and Power BI to perform data cleaning, exploratory data analysis, and visualization, enabling data-driven travel recommendations and trend analysis. | |
| Smart Diet Data Analysis | Dec 2025 |
| Developed a data-driven meal recommendation system that analyzed nutritional and health datasets to generate personalized diet plans based on user goals. Performed data preprocessing, exploratory data analysis, and machine learning using Python, SQL, and MongoDB, and visualized health insights through interactive dashboards. | |
| Attendance Analytics System | Mar 2025 |
| Designed an attendance management system to automate attendance recording and reporting. Integrated SQL, MySQL, PHP, to improve data accuracy, simplify record management, and support attendance analysis. | |

Education

- | | |
|--|---------------------|
| Master's in Computer Applications (MCA) (Pursuing) | 2025 – present |
| D.Y. Patil School of Engineering and Management, Kolhapur | |
| Bachelor's in Computer Applications (BCA) | Mar 2022 – Apr 2025 |
| Vivekanand College, Kolhapur | |
| <ul style="list-style-type: none">CGPA: 8.79 | |

Skills

- Programming:** Python, C, C++, Javascript
- Data Analysis:** Pandas, NumPy, Excel, Power Query
- Visualization:** Power BI, Matplotlib
- Databases:** MySQL, MongoDB
- Tools:** Git, Jupyter Notebook, Excel, VS Code, AWS
